

Sailors World Sailing School

Sailors World offers US SAILING's Basic Keelboat certification course on Smiths Bay on beautiful Lake Minnetonka.

This course is geared toward the person who has never sailed or those that would like to learn how to sail a keelboat. If you have dreams of one day sailing in the Caribbean, this course is your first step in realizing that dream.

You will learn all the basics of sailing and handling a small keelboat. At graduation you will have proven your ability to operate boat safely and have the confidence necessary to enjoy the sport for years to come!

This is a 12 hour course which takes place both in the classroom and on the water. Most of your time will be practical on the water training.

The cost is \$395 plus \$20 US SAILING membership.(required)
That includes Basic Keelboat Student book, Official log book of sailing, Keelboat Certification Standards & US SAILING membership with all the benefits. (regular membership \$60)

You will learn on a beautiful Catalina Capri 22. It's sleek design and easy handling makes it a great choice for beginners as well as the seasoned sailor.
